-

EDUCATION

KR Mangalam University

2022-2026

B.Tech - Computer Science & Engineering

Shree Ramswaroop Memorial Public School

2020-2022

Senior Secondary - Science

Kanti Higher Secondary School

2020

Secondary

CERTIFICATIONS

- AZ-900 | Azure Fundamentals
- SAA-C03 | AWS Solution Architect
- [Credly certificate link](#)

PROJECTS

Maa Vaishnodevi traders PVT LTD

MAAVAISHNODEVITRADERS.IN

July 2026

- Purchased Domain and Acquired DNS from Godaddy (maavaishnodevitraders.in)
- Created S3 Storage from AWS to store the static website files.
- Configured AWS Amplify pipeline, permissions and deployment.
- SSL/TLS certificates, acquired via AWS ACM service.
- End to end Https verification, custom domain routing between Godaddy and AWS.

PROJECTS

AI-Powered Workflow Automation Platform (n8n + FastAPI)

December 2025

- Built an AI-driven workflow automation system for onboarding & customer support
 - Used FastAPI for backend services and n8n for workflow orchestration
 - Integrated PostgreSQL for execution tracking and Redis for failure handling
 - Implemented AI-based decision-making for workflow routing and optimization
-

AI-Based Women Safety Chatbot

July 2024

- Developed an AI-powered chatbot for safety assistance and SOS alerts
 - Implemented NLP-based response system using Python
 - Integrated automation features for real-time user support
 - Tech used - Python (Flask), Twilio API, NLP Techniques
-

Portfolio Website

[HTTPS://WARM-MARSHMALLOW-BA019E.NETLIFY.APP](https://warm-marshmallow-ba019e.netlify.app)

December 2022

- Designed and deployed a responsive personal portfolio website
- Showcases projects, experience, and contact details
- Tech stack used - HTML, CSS, JavaScript
